

Join the *Walking the Walk*™ Youth Initiative!

**Connect with Peers of Different Religious Traditions
& Make the World a Safer Place**

**High school youth from diverse
religious and cultural backgrounds will:**

- Have meaningful conversations and develop friendships
- Develop a stronger sense of your own identity
- Appreciate, respect and embrace differences
- Put values into action through community service
- Have fun together
- Learn to stand up for people being put down for their religion

**Benefits of the *Walking the Walk*
youth initiative:**

- Engage in many unique experiences that will help you in a job or college interview
- Learn how to stand up on behalf of others
- Strengthen your own religious identity as you explain your faith to others
- Learn new things about your own religion as well as other religions, through people and visits, not just books
- Obtain community service credit
